

1. Type in the URL of the school address which is www.dhafraschools.com
2. * Click on the “School Management System” and log-in to your account.
* Enter your username and password (Provided by the school).

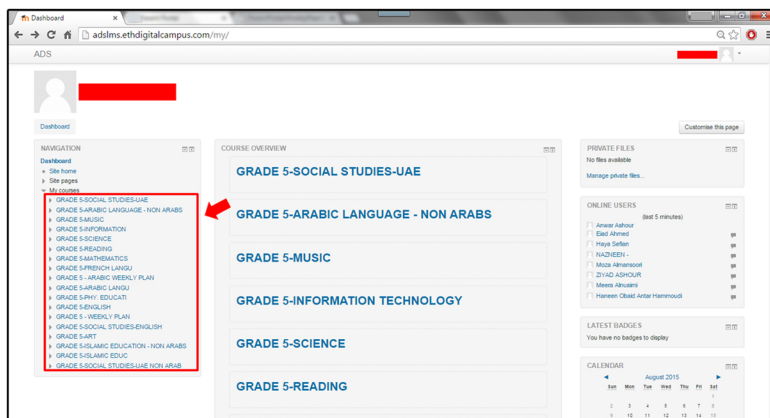

3. From the "Siblings" panel, select and click the name of your child to view her/his "Personal Details".

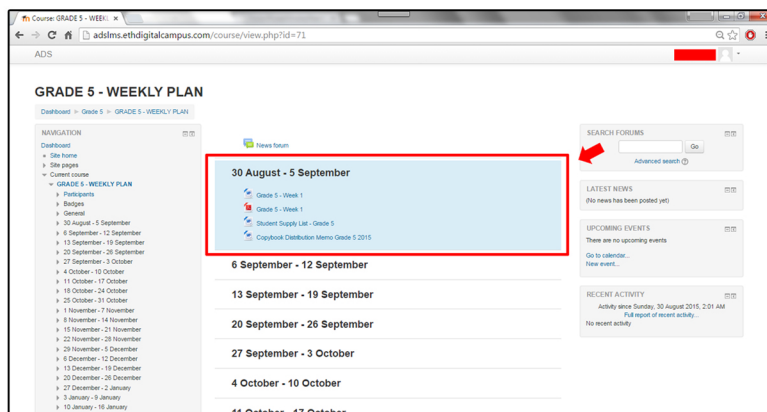

4. Then on the left side of the "Personal Details" page, click the "LMS Moodle".

5. LMS Moodle page will open on a new tab. On the left side of the page you will see the “Navigation”, click "My courses".

6. After clicking “My courses”, you will see all the subjects of your child. Choose which subject you want to check.

7. You will then see all the weekly plans for that subject. Then choose which week you want to check.
