

Al Dhafra Private School – Al Ain

Grade 12 Uniform Requirements

As senior students, the Grade 12 students of Al Dhafra Al Ain are given the privilege and responsibility to select their own daily clothing, following the below general guidelines. The daily clothing should represent 'casual business' style, which is appropriate for the age and demeanour of Al Dhafra seniors. At all times when selecting and wearing their uniform, seniors should consider the cultural and religious ideals of the UAE, and the fact that they are representatives of Al Dhafra Private Schools in Al Ain. The following table and images give general guidelines and restrictions for students to support them when making decisions about what to wear on a daily basis.
